

NBCHT Recertification Policy

All NBCHT Certified Colon Hydrotherapists must recertify every three years.

The recertification fee for individuals seeking to be recertified is \$150.00.

Within 90 days of your recertification date you will be notified of the current requirements for recertification (ie. CEUs, etc.), a recertification notice will be mailed to the last known address on file. The form must be fully completed and postmarked with the appropriate recertification fee before the expiration date of the certification to avoid late recertification fees. You must complete the requirements and submit all necessary documentation and the recertification fee for recertification by the recertification date.

A certificant will be denied recertification if:

- 1) the individual fails to meet the continuing education requirement, or
- 2) has been found to be incompetent as a result of confirmed (and validated) grievance,
- 3) as a result of other disciplinary action, or
- 4) has been convicted of a felony.
